

The Brandon and Riverview Montessori Schools

Get a Jump Start on VPK Summer 2012!

Voluntary Prekindergarten, or **VPK** gives children a jump start by preparing them for school and enhancing their pre-reading, pre-math, language and social skills. By developing the skills children need to become strong readers and students at an early age, children are more likely to be successful in school. VPK classrooms offer high-quality programs that include high literacy standards, developmentally appropriate curricula, manageable class sizes, and qualified teachers.
